

**Student/Parent Handbook &  
Code of Responsible Behavior  
Grades 6 – 8  
2011/2012 School Year**

Approved by MCAS Board of School Trustees: June 28, 2011

August 2011

Dear Parents/Guardians of Michigan City Area Schools Students:

We are pleased to present to you a revised edition of the Michigan City Area Schools Code of Responsible Behavior for the 2011-2012 School Year. Our goal in revising this Code of Responsible Behavior was to provide a quick and understandable reference guide for parents/guardians and students. Our focus is on the positive behaviors students should exhibit every day. Through each school's Positive Behavior Supports plan, these behaviors will be acknowledged and rewarded. Using this approach, students will learn responsibility and gain an understanding of how their behavior affects their success.

We believe the revised Code of Responsible Behavior is less punitive in nature and more in keeping with our ideals as stated in the Michigan City Area Schools Mission Statement. It includes a new "level" system to demonstrate to students how their behaviors impact themselves and others. While the level system is meant as a guide, it cannot and should not be considered all-inclusive.

Level One behaviors have the least impact on student learning and do not infringe upon others. Possible responses to these Level One behaviors are meant as an intervention and learning tool so that students can redirect themselves to appropriate activities. Level Two behaviors are more serious in nature and usually will have consequences as well as more purposeful interventions, as these behaviors can interfere with learning. Level Three behaviors are the most serious of all and require consequences and direct intervention by the appropriate administrators or authorities.

It is our hope that students will see value in behaving responsibly in classrooms, hallways, and in the school setting in general. Through this Code of Responsible Behavior, we believe students will be given the opportunity to learn and grow. Our aim is for students to contribute positively to society through a system that has clear goals and high expectations.

The Code of Responsible Behavior begins on page 21 of this Handbook.

Thank you for your continued partnership with us as we work together to ensure success for all students!

Sincerely,

A handwritten signature in black ink that reads "Barbara Eason-Watkins". The signature is written in a cursive style with a large initial 'B' and a long, sweeping tail on the 's'.

Dr. Barbara Eason-Watkins  
Superintendent  
Michigan City Area Schools

## **MIDDLE SCHOOL PHILOSOPHY**

The middle school philosophy is based on the unique needs and characteristics of the young adolescent. Students, teachers, administrators, and parents are drawn together in aiding the students to gain an understanding of themselves and the world around them. Educators are specially trained to work with middle-level students and are committed to the education of the young adolescent. They have knowledge of needs and characteristics of the age and have mastered varied teaching strategies that promote active rather than passive activities. A middle school provides a structured, sequential program for each student's ability and achievement levels. A middle school can provide flexibility in the following ways:

- Develop critical thinking and self-inquiry for each student.
- Develop a student's ability to adapt to a constantly changing environment both in and out of school.

- Provide an opportunity for a student to explore a wide variety of experiences and interests.
- Promote the student's self-concept and nurture creativity.
- Encourage self-discipline, responsibility, and accountability.
- Develop a program, which helps to expand a student's potential.
- Improve effective evaluation skills.
- Through many experiences, students develop pride, dignity, and worth as individual differences are recognized. The adolescent has a unique opportunity and responsibility to utilize the available experiences and to develop into a productive and contributing member of our society.

### **HELP YOUR CHILD BECOME SUCCESSFUL IN MIDDLE SCHOOL**

Good teaching starts in the home because the parent is the first teacher of the student. It is your privilege and obligation to teach by example and to develop in your child the good habits of behavior as well as a positive attitude toward school. To help your child's progress in Middle School, you should:

- Monitor your child's attendance and academic progress. (Online Parent Access to this information is available. Contact the school office for a password and instructions.)
- Read the Student/Parent Handbook to familiarize yourself with the procedures used in the Michigan City Area Schools.
- Recognize that the teacher takes the place of the parent while your child is at school.
- Teach and require your child to have respect for the law, for authority, for the rights of others, and for private and public property.
- Become an active part of the school by volunteering time, attending school activities, checking on your child regularly with his/her teachers, counselor, or an administrator, and by serving on various school committees.
- Talk with your child about school activities and show an active interest in report cards and the daily progress of your child. Ask your child daily what was learned.
- Encourage and demand prompt and regular school attendance and comply with attendance rules and procedures.
- Safeguard the physical and mental health of your child and be responsible for periodic health examinations.
- Attend individual or group parent conferences. Request conferences as you see a need.
- Attend special school programs.
- Arrange for a time and a place at home for homework assignments, supervise your child, and check the work.

## **GENERAL INFORMATION**

Through this handbook, the school administration wishes to acquaint you with the services provided by the school and familiarize you with the regulations, rights, and responsibilities that apply to all middle school students. In the event of a conflict between individual school procedures and guidelines, and Michigan City Area Schools policies and guidelines, Michigan City Area Schools policies and guidelines shall govern.

### **Address and/or Telephone Change**

If a change in the student's or family's address or telephone number occurs, please notify the office of this change immediately. It is important that the school has all emergency numbers to contact the parent/legal guardian.

### **Americans with Disabilities Act and Section 504**

The Americans with Disabilities Act and Section 504 of the Rehabilitation Act requires the Michigan City Area Schools to ensure that no individual will be discriminated against on the basis of a handicapping condition or disability. This protection applies to students, staff, and all individuals that have access to the School Corporation's programs and facilities.

Students who have disabilities who do not qualify for the Individuals with Disabilities Education Act (IDEA) may be served within the regular education program with an accommodation plan developed through an interactive dialogue between the school, the student, and the student's parents. Parents who believe that their child may have a disability that interferes substantially with the child's ability to function in school should contact the building principal.

### **Athletics**

The middle school provides a well-balanced sports program. To be eligible for participation and to maintain one's participation on a school team, a student athlete must:

- demonstrate scholastic ability by maintaining a minimum 1.5 grade point average (G.P.A.).
- demonstrate appropriate behavior demanded of a student athlete.
- meet the standards set by the administration, faculty, and coach.
- have a current physical form on file.

**Please see Appendix C for the Middle School Athletic Handbook.**

The sports offered are:

Baseball	Basketball	Cheerleading	Cross Country	
Football	Golf	Soccer	Softball	
Swimming	Tennis	Track	Volleyball	Wrestling

### **Attendance**

Any student not present at the designated school of enrollment for **any reason** other than defined exemptions will be reported as absent per the guidelines/procedures of the MCAS Attendance Policy and the Indiana Department of Education. It is the student's responsibility to gather, complete, and return classroom assignments in a timely manner upon return to school to his/her respective teacher(s). In general, a student has the same number of days to make up classroom assignments as the number of days he/she was absent from school.

**The following are exempt student absences per IC 20-33-2-14 through 17.5 and do not count toward sanctions under the Attendance Policy:**

- Out-of-school suspensions and expulsions

- Observation or celebration of a bona fide religious holiday per the family's religious affiliations (Policy 5223)
- Adjudication into the Juvenile Service Center
- Approved student quarantine by the Indiana Department of Health
- Subpoenaed Court appearance
- National Guard and Civil Patrol active duty assignments of not more than 10 days
- Service as an Indiana General Assembly page or precinct election assistant
- Other causes as may be acceptable to the school principal, as permitted by law.

### **Reporting of Student Absences:**

- The student's parent/legal guardian must call the school of the student's enrollment no later than 9:00 a.m. indicating the reason for the student's absence; otherwise after 3 days the student will be considered truant from school.
- Upon the student's return to school, the parent/legal guardian may be requested to provide a written statement and/or a doctor's statement indicating the reason for the student's absence.
- In cases where the student's absence has been extensive, a written Consent to Release Pertinent Medical Information (completed by the parent/legal guardian) and a Letter of Incapacity (completed by both the parent/legal guardian and physician) must be provided to the school.

### **Vacations:**

- The student's parent/legal guardian must provide the building principal with a written explanation prior to the student's anticipated absence.
- **All absences resulting from vacation days are not considered exempt by the Michigan City Area Schools or the Indiana Department of Education.**
- It is the student's responsibility (or their parent's in the elementary grades) to gather all makeup work prior to vacation. Work is due to the student's teacher(s) immediately upon his/her return to school.

### **Excessive Absences:**

An excessive absence equates to any student who is below a 95% attendance rate in a given school year.

- It is important to note that any student's absence for reason of illness is calculated in the student's 95% daily attendance rate.
- In addition to student daily absences, excessive absences for secondary students may also include routine absences from a class specific period.
- Students' failure to attend class may be considered an act of academic misconduct, which may result in loss of a daily grade or credit for missed class period(s).

### **Bags**

Book bags, backpacks, large tote bags, carry-all bags, etc. make the aisles in classrooms unsafe and are sometimes used to conceal inappropriate items that may be brought to class for the purpose of creating disruptions. Therefore, these bags (including purses in some schools) may not be carried from class to class during the school day. Such bags are to be stored in the student's locker. Before purchasing a book bag (e.g. those with wheels), make sure it will fit in the school locker.

### **Before and After School Procedures**

In order to assure a safe and orderly environment, students must follow procedures before the instructional day begins and after the instructional day ends. The following procedures are not all inclusive.

- Arrive and depart promptly (within 10 minutes of the start and end of the school day). School begins at 7:25 A.M. and ends at 2:15 P.M.
- Students in the building before or after school must be in an adult-supervised activity or location.
- Remain outside until admitted into the building.
- Ride, park, and lock bicycles in the designated areas only.

- No throwing of objects or snow.
- Remain on cemented areas or sidewalks.
- No horseplay.
- Students are not to ride or operate motorized vehicles on school property.
- Students must leave the school building within 10 minutes of school's dismissal unless they are attending a school-sponsored activity.
- Students whose rides do not arrive in a timely manner at the conclusion of a school-sponsored activity may not be allowed to attend future activities.
- Once students leave the building after attending a school-sponsored activity, students may not re-enter the building and must leave the school grounds.

### **Picking up and Dropping off Students**

For the safety of all students, parents must follow the procedures for dropping off and picking up their child from school. Parents should use the designated parking areas to wait for their child to leave the school. No cars should park in No Parking zones or in the areas designated for buses.

### **Bicycle Regulations**

Students may ride bicycles to the middle schools. Students are not allowed to ride their bicycles on the sidewalks in front of the school. Bicycles should be parked and locked in bicycle racks. The administration advises students to register their bicycles with the police. A good-quality locking system should be used. Bicycles should be locked at all times. The school assumes no responsibility for the loss or operation of any bicycle. Students are not permitted to drive or ride motorized personal vehicles to school.

### **Book Use Guidelines**

- **Lost or Damaged Books:** Students are responsible for maintaining textbooks/library books. Teachers record the book number and condition of the textbook when it is issued to the student. Students must return the textbook(s) issued to them at the end of the course unmarked, and without unreasonable wear and tear. Students will pay for lost or damaged books.
- **Textbook Rental:** The textbooks in the schools are rented. The rental is based on the life expectancy of the books. Rental fees are paid by semester. This plan of renting books is a money-saver for students and parents/legal guardians. It eliminates the purchase of costly books that are needed for just one year by the student. Students are held financially accountable for any misuse or loss of any rental book or supplies at the end of the year.

Parents/legal guardians receive mailed notices regarding book rental balances several times throughout the school year. Parents/legal guardians may also obtain information about book rental balances through the Parent Access website. Parents/legal guardians with outstanding balances at the end of the semester will be turned in to collection agencies. If you need assistance with textbook rental, you must complete an application form for free and reduced-price meals, which are available at registration and in the office of each school. You must mark the textbook section to be eligible for textbook reductions and sign the form in the textbook section. Please note that you may still be required to pay materials fees. If you have any questions, please call 873-2131.

### **Bus Transportation**

Bus transportation is provided to students who do not live within walking distance of the school. Students needing to ride a school bus other than the one they have been assigned must bring a signed note from a parent/legal guardian explaining the circumstances and obtain approval from the office. Approval of such requests will be limited to available seating. While commuting on school transportation, traveling to and from the bus stop, or waiting at the bus stop, students are expected to conduct themselves according to established school rules and follow the directions of the bus driver. **Please see Appendix A for Michigan City Area Schools' Transportation Guidelines.**

### **Conferences (Parent-Teacher)**

The parent-teacher conference can play a significant role in the education of students. A conference provides the teacher with vital information from parents that will strengthen the plans and strategies the teacher uses with students. It helps parents understand more clearly what the school and the teacher are trying to accomplish with a student, and builds a strong home-school partnership. Parent-Teacher conferences will be held in the first and third quarters of the school year. If you would like additional conferences, please make arrangements with the teacher by calling the teacher and/or the school counselor. Also, as stated in the MCAS-MCEA Agreement, teachers have the right to request 24 hours notice before a classroom visitation by a parent.

### **Counselors (Guidance Services)**

All students have the opportunity to talk with their grade-level counselor regarding such issues as personal problems, concerns, interests, educational planning, and testing. Students may be assured that information shared with their counselors will be held in the strictest confidence unless a statement indicating unethical, immoral, or illegal activity or a matter concerning someone's safety is reported. Students may request an appointment to see their counselor. The counselor will respond to a student's request at his/her earliest convenience.

### **Dress Code**

The dress code is meant to serve as a guide for students' proper attire at school and is not inclusive of every item of dress unacceptable for school. Students must respect themselves and others with the way they dress in public, so MCAS has established these Dress Code Guidelines to ensure a school climate that is suitable for learning. Therefore, clothing that causes a disruption to the educational process, is destructive to school property, or is a threat to safety and health is prohibited. The following is a list of inappropriate dress:

1. Any clothing signifying gang-related activities, slogans, colors, etc. is strictly prohibited.
2. T-shirts, other attire, or jewelry that advertise or promote alcoholic beverages, tobacco, drugs, profanity, suggestive language, or disregard for human life are unacceptable.
3. Hats, headgear, headphones, bandannas, sunglasses, etc. are not to be worn in the building. This includes extracurricular activities.
4. Mesh tops, muscle shirts, see-through tops, spaghetti straps, low-cut tops (those which show cleavage), or tank tops are strictly prohibited.

8. Shoes must be worn at all times. Slippers are not permitted.

10. Beachwear and pajamas are strictly forbidden.
11. All pants must be worn at the waistline; students must wear belts if necessary to keep pants at the waistline.
12. Straps that are unbuckled and belts that are unfastened or anything dangling from the waist or pockets such as chains, ropes, rags, etc are strictly forbidden.

14. Tops and pants that reveal the midriff or undergarments are strictly prohibited.
15. Large, gaudy jewelry is unacceptable.
16. Any dress or appearance that is disruptive to the educational process is prohibited.

### **Dress for Success**

- Prior notification from the student’s parent/legal guardian informing the school of the student’s professional appointment is required **BEFORE** the student may be released from school.
- When a parent/legal guardian finds it necessary for a student to leave during the school day, the student must report to the office at the start of school day with a note from a parent/legal guardian. The student will be given an Early Dismissal Pass. The parent/legal guardian must meet the student in the main office and sign him/her out of the building. Failure to follow the sign-out procedure may constitute truancy and may result in appropriate disciplinary action.

## **Emergency School Closings and Delays**

Student safety is a primary goal of the Michigan City Area Schools. At all times, weather conditions are monitored to ensure that students can be safely delivered to schools and returned home. Parents are strongly encouraged to make arrangements for the welfare of their children due to school closings or delays and ensure that their children are appropriately dressed for weather conditions.

### **General Procedures:**

Weather and road conditions are monitored by the Director of Transportation on a daily basis. During the winter months, the Director of Transportation, along with assistance from the Plant Planning Department, begins to monitor road conditions at 4:00-4:30 a.m. The Director of Transportation is also in contact with surrounding school corporations, local and state police, and other community agencies. Between 4:30 a.m. and 5:00 a.m., the Director of Transportation will make a recommendation to the Superintendent to close or delay schools.

When weather conditions, such as severe cold or heavy snow, can be predicted before 4:30 a.m., the Director of Transportation will recommend closing or a delay of start the night before.

Once the recommendation to close is accepted by the Superintendent, the media is notified no later than 5:30 a.m. (except in extreme conditions) and parents are informed via the news media and the Internet.

School closing and delay information is available on the MCAS website ([www.mcas.k12.in.us](http://www.mcas.k12.in.us)) or by calling the MCAS Delay and Cancellation Information Line at (219) 873-2000 (press option "2"). In addition, families may register for text alerts using the link on the school district web site; these alerts are managed by Fox28 in South Bend. In the event of a delay or closing, the following media will be notified:

**Radio:** WEFM (95.9); WCOE (96.7 FM); WIMS (AM1420); WLOI (1540 AM); WAKE (1500 AM)

**Television:** FOX28 - Channel 28; WNDU - Channel 16; WSBT - Channel 22

**Other:** Emergency Closing Center - [www.emergencyclosings.com](http://www.emergencyclosings.com) (You may register for email and text alerts at this site, also.)

Parents are encouraged to stay tuned to local media, particularly in the case of a school delay. On rare occasions a decision may be made to move from a delay status to a closed status.

If school is closed for the entire day, after school activities, Adult Basic Education courses and Safe Harbor and Boys and Girls Club are all canceled. High School athletic activities are considered on an individual basis.

### **Hazardous Road Conditions**

Decisions to close or delay school due to hazardous road conditions are determined by the Director of Transportation and the Superintendent of Schools based on the ability to successfully navigate buses both within the city limits and the county areas. Weather conditions across the district can vary greatly due to the potential of lake effect snow. The conditions of the parking lots and the temperature and wind chill factor as well as the safety of children who walk to school are considered.

### **Wind Chill**

As a general rule, a wind chill factor of -19 degrees will be the determining factor as to whether to close or delay school. Frostbite can occur on exposed skin in a relatively short time for children out in extreme temperatures. Parents are encouraged to ensure that students are appropriately dressed for these conditions while waiting at the bus stop or walking to and from school.

Decisions to close or delay school will take into consideration the current conditions as well as the duration of the wind chill factor predictions.

### **Fog**

As in the case of hazardous road conditions, fog conditions can vary greatly across the district. Consideration to delay the start of school for fog conditions will be determined by 5:00 a.m.

### **Tornado Warnings**

Our bus drivers are trained to know how and where to seek safety for children in the event of a tornado. Drivers also are instructed by the the Transportation Department, which will be monitoring weather alert warnings. Individual buses or the fleet may be ordered back to the school(s) to unload students at the buildings or to the nearest school site to safely unload students.

### **One- and Two-Hour Delay Schedule**

If the notice is given that school will be delayed **one hour**, middle and high schools will start at 8:25 a.m. (doors open at 8:15 a.m.). Buses will arrive at the designated stop one hour later than on a normal school day.

If the notice is given that school will be delayed **two hours**, middle and high schools will start at 9:25 a.m. (doors open at 9:15 a.m.) Buses arrive at the designated bus stop two hours later than on a normal school day. There is no breakfast served on a two-hour delay schedule.

Please note that a one- or two-hour delay can change to a cancellation of school if weather conditions warrant.

### **Early Dismissal due to weather conditions**

On rare occasions, weather conditions may necessitate closing school early. The same media will be contacted in the event that this is necessary and parents should have child-care arrangements in place should this occur. On these rare occasions, usually all secondary schools will be dismissed first and then elementary schools will be dismissed approximately one hour later.

### **Enrollment Procedures**

Students enrolling in the Michigan City Area Schools in any grade must provide the following information, along with a completed MCAS Student Enrollment Form:

- The name and address of the school the student last attended (if any).
- The student's birth certificate, issued by a State Board of Health (hospital certificates are not acceptable).
- Parent/Legal Guardian's proof of residency consisting of a utility bill, deed, rental agreement, or public assistance documentation.
- Parent/guardian's driver's license or state picture identification card, which must be presented for the school to photocopy.
- An updated record of the student's immunizations, as Indiana law requires all students to have their immunizations up to date. If a student's immunizations are not up to date, the school has the authority to exclude the student from school until immunizations are up to date.
- Updated emergency contact and student medical information.

In the event that a student is not living with both biological or adoptive parents, parents/legal guardians may be asked to provide legal documentation confirming legal residency/guardianship of the student, in addition to completed Legal Settlement Forms required by the Indiana Department of Education.

New students who are in the process of expulsion/suspension or who are expelled or suspended at their current school of enrollment may not be accepted for enrollment in MCAS.

## **Events**

When school-sponsored events are held, students must display their student identification card to gain admittance. There will be no pass-outs during the events. Anyone leaving the event will not be permitted to return.

## **Extracurricular Activities**

All students are encouraged to join and participate in school-sponsored clubs and activities after school hours. Students should listen to the daily announcements for sign-up times and meeting dates. Examples of clubs and organizations include Academic Teams, Yearbook, Student Council, Chess Club, Green Team, and Newspaper. Students may not be in the building after school unless they are staying for a sponsored activity. Students must report to the designated area within five minutes of school dismissal. In all cases, students who stay after school must be under the direct supervision of a staff member. A minimum grade point average of 1.5 is required for extracurricular participation, and students must be in good standing regarding behavior.

## **Field Trips**

Students who wish to participate in field trip activities must have a completed permission slip signed by a parent/legal guardian which is kept on file for the school year. Additional criteria may be established as needed for specific field trips. The permission slip must be on file with the class sponsor or teacher prior to the student's participation. Class assignments for work missed while the student is on the field trip are the responsibility of the student. The School Corporation does not sponsor overseas trips or out-of-state trips (with the exception of the Chicago area and Cook's Nuclear Plant in Michigan).

## **Food Services**

### **Cafeteria**

The middle schools operate a full-service cafeteria, providing healthy meals for both breakfast and lunch. For students who bring their lunch from home, milk and other beverages and snacks are available for purchase. Each student has a cafeteria account, which is accessed by the student's unique identification number. Parents may deposit money in the account and the price of a meal is automatically deducted as students make a purchase. Students may also pay cash daily. If students forget money, they may charge a meal to their account (meals only, no a-la-carte snacks or beverages) up to the \$6.00 charge limit. For further information, including menus, nutrition information, current pricing, and an online payment option, please visit [www.mcas.k12.in.us/food](http://www.mcas.k12.in.us/food) or call 873-2131.

### **Cafeteria Procedures**

Each middle school will establish procedures for the cafeteria. General procedures may include the following: Be on time, use low-level voices, keep your area clean, keep hands and feet to yourself, and stay seated unless permission is given by an adult.

### **Food Allergies**

For students with food allergies, a Dietary Prescription Form and a Food Allergy Action plan must be completed with the school nurse. Forms are available at the school and on the website at <http://www.mcas.k12.in.us/food>.

### **Free and Reduced-Price Meals**

Information and application forms for free and reduced-price meals are available at registration and in the office of each school. Students who received free and reduced-price meals last year will continue to receive those benefits only for the first 30 days of the new school year. Parents must complete a new application to continue receiving meal benefits. Please make sure to fill in only **one form per household**, even if children are in different schools. If you have any questions, please call 873-2131 for assistance.

## **Nutrition**

Information regarding nutrition, calorie counts, and healthy eating guides are available at <http://www.mcas.k12.in.us/food>.

## **Hall Passes**

If a student is out of a scheduled classroom or in the halls for any reason during a scheduled activity, the student must have his/her planner or pre-printed pass with the date, time, and signature or initials of a staff member.

## **Hallway Procedures**

Each middle school will establish procedures for hallway behavior using a Positive Behavior Supports framework. General procedures may include walking at all times, using the most direct route to class and speaking in low-level voices. Ample time is provided for passage to and from classes and to attend to personal needs. Students should identify themselves to any staff member.

## **Head Gear**

Head coverings of any type are prohibited in the building. All persons are expected to remove head coverings upon entry into the building and are expected to leave them off until they have reached the building exit. Objects such as combs, picks, pencils, etc. are to be removed.

## **Health Services**

The school nurse provides health services to the students by assessing illness and injuries, providing interventions, administering medications and monitoring immunization requirements. In addition, the school nurse can be a source of wellness information for the family.

### **Immunizations**

Indiana law requires all students to have their immunizations up-to-date. If a student's immunizations are not up-to-date, the school has the authority to exclude the student from school until such time that immunizations are up-to-date. The nurse maintains these files. The nurse has information about clinics where immunizations can be provided free or at a reduced cost. For more information concerning the state of Indiana's immunization requirements or about clinics, contact your school or visit the MCAS website for health services at <http://www.mcas.k12.in.us/health>.

### **Medication**

A student who requires prescription or over-the-counter medications must have the appropriate forms on file in the nurse's office. For prescription medication, an **Authorization to Administer Prescription Medication form 241** must be completed by a physician and parent. Also, the prescription medication must be given to the nurse in the original container dispensed by a registered pharmacist. For over-the-counter medication a **Parental Permission to Administer Non-prescription Medication form 239** must be completed by the parent and the medicine must be given to the nurse in its original container. This includes pain relievers, cough syrup, throat lozenges, etc. Both forms may be obtained in the school office or on the MCAS website at <http://www.mcas.k12.in.us/health>.

### **Nurse's Office Procedures**

The following procedures will be in place when interacting with the nurse or the nurse's office:

1. Students who become ill while at school should report to their teacher and obtain a pass before going to the nurse.
2. All students with a personal injury, other than one of an emergency nature, must have a pass to the nurse from their teacher.
3. No student will be sent home unless the nurse contacts a parent/legal guardian.
4. The school nurse (or appropriate designee) will dispense all prescription and over-the-counter medications.

## **Homework**

Homework is an extension of classwork and is related to the objectives of the curriculum. Homework fulfills the following objectives:

1. To review, reinforce, or extend classroom learning by providing practice and application of knowledge.
2. To teach students responsibility and organizational skills.
3. To promote wise and orderly use of time.
4. To provide opportunities for enrichment activities.

It is the student's responsibility to complete all homework assignments. Failure to complete or submit homework assignments on time may affect the student's overall class grade. If a student is absent from school, the student should approach his/her teachers and request the missed assignment(s). Upon returning to school following an absence, the student will have the same number of days that he/she was absent to complete assignments missed. If a student is to be absent for an extended period of time, the parent/legal guardian may contact the Guidance Office and request information pertaining to homework assignments. The amount and type of homework should vary according to the age and developmental needs of the students. Parents are encouraged to provide a quiet place at home and to review the student's assignments.

## **Honor Roll and Recognition**

The Principal's Honor Roll requires all "A's" in all subjects. The Academic Honor Roll requires a 3.2 or higher grade point average in all subjects. The following is a list of Recognition Programs provided in the middle schools (this list may not be all inclusive)

Academic Competitions	Athletic Team Awards	Citizenship Honor Roll
National Junior Honor Society	Reading Awards	Grade-Level Team Awards
Perfect Attendance	Students of Week/Month	End-of-Year Awards
PBS Awards (Colt Cash, Triple Crown, P.A.W.S., Barker Bucks, etc.)		

## **Lockers**

- Each student is assigned a locker. According to Indiana State Law, school lockers remain the property of the school and the school authorities have a responsibility and a right to examine the contents of those lockers for reasons of health, safety, and security. Any contraband found may be turned over to the local authorities and lead to disciplinary action. Acceptance on the part of the student of a locker is acknowledgment of this right.
- Students are not to share lockers or lock combinations.
- Only those locks issued by the school may be used on lockers.
- When a locker does not open properly, the student should go to class and ask for a pass to go the main office to report the problem.
- Any person caught tampering, opening, or removing items from any locker other than his/her own without proper authorization will face strong disciplinary action.
- Never leave your locker without checking to see that you have locked it. Do not preset your locker combination.
- You need to keep your locker clean and neat. Do not place any item on or in your locker that cannot be removed. Do not kick or force your locker to open or close.
- You must have your signed planner or obtain a written pass to be at your locker during the lunch period.
- Lockers should contain only coats, sweaters, caps, PE uniforms, personal grooming items, lunches, and books.
- The school is not responsible for loss or damage of a student's personal property. Locker combinations are strictly private information and must not be given out to anyone.

## **Media Center**

The Media Center is an important information hub within our middle schools. When using the Media Center or its services, it is important to remember the following:

- Return all books promptly as others may be waiting for them. Notices for overdue books are sent to you in your Language Arts or Homeroom class.
- Library book fines are \$0.05 per book for every school day the book is overdue.
- Appropriate behavior in the Media Center is essential and expected at all times.
- A pass from your classroom teacher is necessary if you wish to use the Media Center during class time.
- The Media Center is open during lunch periods. Passes must be obtained from the Media Center staff at the start of the school day if you are wanting to use the Media Center during your lunch period.

### **Parent Access/Progress Reports**

Parent Access is an online program that permits parents/legal guardians to obtain information about students' progress, attendance, discipline, and book rental information in a timely manner. Because of this resource, quarterly progress reports will no longer be issued. Parent Access is available via the MCAS website, <http://www.mcas.k12.in.us>. You are encouraged to visit this site regularly to discuss your child's progress with him/her and to contact the teacher or team for a conference if there are concerns about academic progress. If you are unable to access the MCAS website to reach Parent Access, please notify your school and arrangements will be made to assist you in obtaining the information. Contact your school office for information and a password to gain access to this site.

### **Positive Behavior Supports (PBS)**

All Michigan City Area Schools have established school-wide behavior expectations and procedures in all settings using a framework called Positive Behavior Supports (PBS). PBS is the application of a behaviorally based, systems approach to enhance the capacity of schools, families, and communities to design an effective environment that improves the link between research-validated practices and the environment in which teaching and learning occurs.

### **Response to Instruction (RTI)**

Michigan City Area Schools utilizes Response to Instruction, a process that provides systematic, research-based instruction and tiered interventions for at-risk learners. It assumes that the Instruction/interventions are matched to student needs and that the monitoring of progress is continuous and reviewed/revised as needed. RTI is considered a general education service, but can be applied to special education settings. Each school has an established RTI Team that meets as needed to design, implement, and monitor individual student intervention plans.

### **School Hours (First Bell and Last Bell)**

All middle schools (grades 6-8) begin classes at 7:25 a.m. and dismiss for the day at 2:15 p.m.

### **Solicitation or Sale of Items**

There is to be no selling of any items for the benefit of an out-of-school organization or for personal gain.

### **Special Education Services**

The school provides a variety of special education programs for students identified as having a disability as defined by the Individuals with Disabilities Education Act (IDEA). A student may be eligible for special education services only after the proper evaluation and placement procedure. Parent involvement in this procedure is required. The school encourages the parent to be an active participant in the education of their child. To inquire about special education services and the procedure that needs to be followed to access those services, a parent should contact the building principal.

### **Student Planner**

The Student Planner is a very important tool for every student. Students are required to carry their Student Planner with them at all times except during their lunch period. The Student Planner is used as a passport and an assignment book. As a passport, the Student Planner is used for individual student passes to visit the library, counselor, nurse, etc. Students are not allowed out of class without permission and their Student Planner. As an assignment book, the Student Planner provides space for students to write down their assignments. Students are

expected to take their Planner home nightly for parents/legal guardians to review. The School, Teachers, and/or Teams may use the Student Planner as a communication tool by asking parents/legal guardians to sign the Planner. Students are responsible for their Planners. Lost Student Planners must be replaced at the student's expense at a cost of \$1.00 and are available in the main office.

### **Student Records and the Family Education Rights and Privacy Act**

Many student records are kept by teachers, counselors, and administrative staff. There are two basic kinds of records: Directory Records and Confidential Records.

**Directory Records** or Directory information can be given to any person or organization for nonprofit making purposes when requested, unless the parents of the student request in writing to the principal that their child's directory information be restricted. Directory information includes the student's name, address, and listed or published telephone number.

**Confidential Records** contain educational and behavioral information that has restricted access based upon the Family Education Rights and Privacy Act (FERPA). This information can only be released with the written consent of the parents, the adult student, or a surrogate. The only exception to this is a request for confidential records made by an organization to comply with State and federal laws that may require release without consent. Included in confidential records may be test scores, psychological reports, behavioral data, disciplinary actions, and communications with the family and outside service providers.

The school must have a parent's written consent to obtain records from an outside professional or agency. Parents may also provide the school with copies of records made by non-school professionals or outside agencies.

Students and parents have the right to review all educational records generated by the School Corporation, request amendment to these records, insert addendum to the records, and obtain copies of such records. If a review of records is required, please contact the building principal, in writing, stating the records desired. The records will then be collected and an appointment will be made with the appropriate persons present to answer any questions.

The Family Policy Compliance Office in the United States Department of Education administers FERPA. Parents and students who feel that their rights have been violated may file a complaint with:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-4650

For more information or assistance with the review of records, please contact the school principal.

### **Telephone Use**

Telephones are off-limits during school hours and are not to be used until after school, unless a staff member grants permission. If the call is for an emergency, students must check with their classroom teacher for assistance before requesting a pass to the office.

### **Twenty-first Century Scholars**

The Twenty-first Century Scholars Program began in 1990 as Indiana's way of raising the educational aspirations of low and moderate-income families. The program aims to ensure that all Indiana families can afford a college education for their children. Students can sign up for the program in sixth, seventh, or eighth grade. Students who qualify can receive up to four years of undergraduate college tuition to attend an eligible Indiana public or private college, university, or proprietary institution.

For more information or an application, please contact the middle school guidance office or the North Central Indiana Scholars Support Program at (574) 289-7001 extension 6807 or toll-free (888) 603-5981, extension 235.

### **Visitor's/Parent's Pass**

Visitors/parents must enter through the front doors of the school. All other outside doors are locked during the school day. Please ring the buzzer to be admitted and state your name, who you are here to see, and the purpose of your visit. All visitors/parents must register in the office, receive an identification badge and be escorted by a staff member to their destination in the building. Approved volunteers may walk to their destination unescorted if they are in the building for an approved volunteer activity. Volunteer applications are available in the school office.

### **Volunteers**

MCAS values the many contributions of school volunteers. For the safety of all students, all volunteers must complete a Volunteer Application and undergo a criminal background check. This includes chaperones for field trips. Volunteer Applications are available in the school office.

### **Withdrawal / Transfer Procedures**

Compulsory education is mandatory until age 18. Per IC 20-33-2-28.5, a student of at least 16 years of age but less than 18 years of age who is seeking to withdraw from school prior to graduation must make a request to the school in writing. Students must also provide written parental consent to the withdrawal, complete an exit interview, receive written consent from the school principal, and meet all other Indiana statutory requirements. Parents who are seeking to transfer their child within or outside the MCAS district must complete the Student Withdrawal Form.

**Code of Responsible Behavior  
Grades 6-8**

## **Middle School Code of Responsible Behavior**

### **Philosophy**

The primary focus of the Michigan City Area Schools is to create and maintain safe and caring schools that promote high expectations for behavior and learning, responsible choices, and success for all.

As students mature from childhood to adolescence to young adulthood, our practice will be to initially teach children to understand how their actions affect themselves and others, and that expectations for acceptable behavior are based on our culture and civilization. We will guide children to assume increasing responsibility for making decisions for their individual behavior based upon the laws and rules of our community and society.

Through our actions with students, we will demonstrate and model compassion, kindness, and integrity so that our children learn how to make good decisions, resolve conflicts peacefully, and work together cooperatively.

We believe that students have a right to attend school without fear and should be able to express themselves in their words and actions as individuals. However, this right to express oneself cannot be harmful, disrespectful, or disruptive to others or to the educational process.

### **Rights and Responsibilities**

When a student fails to meet expectations or makes inappropriate choices, the student will be subject to a series of interventions and/or consequences with the goal of improving future behaviors.

At each school, the staff, using Positive Behavior Supports, and through the Response to Instruction Team, will develop and implement a series of interventions for the general population and individual students as needed to promote the goals of this Code.

When a student engages in actions considered irresponsible, the following process will occur:

Students will be afforded Minimum Due Process, which is defined as:

- The student will be informed of the alleged violation of this Code of Responsible Behavior;
- The student will have an opportunity to respond to the accusation;
- The student will be informed of the consequences for this action.

In assessing the consequence for the student, the age of the student, the frequency of the misbehavior, and the seriousness of the situation will all be taken into account.

Parents/guardians will be informed of the administration of student due process. The school will work together with the parent/guardian to monitor and correct irresponsible and inappropriate actions.

Schools will follow due process in instances of suspension (whereby a student is separated from school attendance for a period of not more than ten school days) and expulsion (a denial of the right of a student to take part in any school function for any period greater than ten school days).

Any student recommended for expulsion shall be entitled to Formal Due Process as provided by law. Formal Due Process requires a written statement and notification to parent that the school intends to seek expulsion and the parent/guardian has a right to a due process hearing with a Hearing Examiner.

The disciplinary interventions and/or consequences for Special Needs students will take into account the unique circumstances of their Individual Educational Plan and any behavior intervention plan and will be subject to

procedural safeguards in accordance with state and federal regulations and Article 7 of the Individuals with Disabilities Education Act.

### Consequences for Irresponsible Actions

The following list of actions have been deemed to be irresponsible and subject to student discipline. This list is not intended to be all-inclusive, but is a general list of actions that do not meet expectations for responsible behaviors, or are highly disruptive or illegal. While the **Levels of Behavior** are designed to follow a logical progression, the final determination of these responses rests with the building administration, who will take into consideration the results of any investigation and all relevant facts. Responses for an irresponsible action may be one or a combination of these or similar responses.

## DEFINITION OF TERMS

**Academic Alternative (AA)** is an alternative placement for students who impede the learning of others or who are behaviorally at risk. Students in AA maintain classroom assignments and remain in school but are isolated from other school activities. The building principal has oversight responsibilities for the program. AA is staffed with a qualified person who supervises and serves as a supportive resource for students. Students may be sent to the AA location as a class “time-out” or a student may spend a longer period of time in AA. Frequent referrals to AA will also result in referral to the school counselor and/or the RTI team.

**Academic Dishonesty** includes the following behaviors:

- Using or attempting to use unauthorized materials, information, or study aids in any assignment or exam.
- Using external assistance on an “in class” or “take home” examination, unless the instructor has authorized such assistance. This includes (but is not limited to) the use of tutors, books, notes, the Internet, calculators, and electronic devices.
- Submitting substantial portions of the same academic work for credit more than once without permission of the teacher.
- Allowing others to conduct research or to prepare work without authorization from the instructor. This includes (but is not limited to) commercial term-paper companies, web sites, and past papers/work of other students.
- Collaborating with other students on a single project and turning in multiple copies that are represented as individual work.
- Falsifying or inventing information or citations in an assignment or exam.

A student must give credit whenever quoting another person’s words; using another person’s idea, opinion, or theory; or borrowing facts, statistics, or other illustrative material — unless the information is common knowledge.
- Stealing, changing, destroying, or impeding another student’s work. Impeding another student’s work includes (but is not limited to) the theft or destruction of common resources to deprive others of the information they contain.
- Helping or attempting to help another student to commit an act of academic dishonesty.

**Bomb Threat** includes any act that indicates the presence of a bomb or other destructive material when in fact there is none.

**Bullying and Intimidation** includes aggressive or negative gestures, or written, online, verbal, or physical behavior that places another student in fear of harm, or that has the effect of threatening, insulting, demeaning, or intimidating another student. Witnesses to the bullying or intimidation of another student are encouraged to report it to a staff member.

**Class Disruption** is any combination of actions that interfere with, interrupt, or create disorder to the extent that instruction cannot take place.

**Cyberbullying** - See “Technology-Related Offenses.”

**Day Reporting** is a program conducted in conjunction with the LaPorte County Juvenile Services Center and the Juvenile Court system. Day Reporting provides an alternative setting for students with discipline infractions that would merit expulsion. The program offers therapeutic and academic services for students in a secure setting.

**Dishonesty** includes those occasions in which students choose to be untruthful or fail to disclose information.

**Dress Code Violations** involve attire that disrupts the educational environment, is destructive to school property, or is a threat to safety and health.. No dress code can itemize every item of dress that is unacceptable for school. Please see the Handbook section of this document for specific Dress Code requirements.

The possession of look-alike drugs is also prohibited. These rules apply on school property or at any school-related activity or event, or while traveling to or from school or any school-related activity or event.

**Drug Paraphernalia Violations** involve selling, purchasing, possessing, distributing, or participating in a plan to sell, purchase, possess, or distribute drug paraphernalia. This includes items associated with illegal drugs such as rolling papers, pipes, clips, razor blades, lighters, and hypodermic needles. This includes conduct of a sexual nature that may include verbal or physical sexual advances and/or comments of a sexual nature regarding physical or personality characteristics. Verbal or physical conduct of a sexual nature constitutes sexual harassment when the allegedly harassed student has indicated, by his or her conduct or verbal objection, that such conduct is unwelcome.

Examples of this kind of behavior include but are not limited to leaving a classroom without permission or obstructing staff in the performance of their duties.

**Libel and Slander** are two forms of defamation. **Libel** consists of printed communication whereas

slander consists of oral communication. The actions of **Libel** and **Slander** consist of a false statement that is printed or broadcast about an individual that brings that person into public ridicule, contempt, or hatred, or inflicts injury. (Also see Technology-Related Offenses.)

**Littering** includes behavior that causes an area to be in disorder or in an unsanitary, unhealthy condition.

PBS allows the school to develop and maintain a positive atmosphere that fosters social and academic success for all students. For additional information, see the Handbook section of this document.

**Portable Electronic Equipment** includes cellphones, pagers, laser pointers, iPods, or any other electronic device. (See Technology-Related Offenses.)

**Provocation** includes verbal confrontations with a student or staff member, fight instigation, and other aggressive gestures and behaviors.

**Public Displays of Affection** (other than the holding of hands) are not appropriate for the school environment. Students should not, while on school grounds or at school functions, show affection to one another in a manner that is immodest and/or draws undue attention to themselves.

**Response to Instruction (RTI)** is a process that provides systematic, research-based instruction and tiered interventions for at-risk students. Student progress is continuously monitored as interventions are implemented, and are reviewed/revised as needed. Please see the Handbook section for more information on RTI.

**Sexting** - See "Technology-Related Offenses."

**Social Probation** is the limiting of privileges for student participation in/attendance at school-related activities and events. Students may be placed on social probation for a period of time not to exceed the remainder of the school year. While on social probation, students are not to participate in or attend any extracurricular activities and are only to be on Michigan City Area Schools property during school hours. Reasons for being placed on social probation include, but are not limited to:

Electronic devices used during the school day will be confiscated. Students are not permitted to use cellphones on the school bus.
- **Digital Images:** Electronic devices capable of taking and/or transmitting digital photographic images can create a risk factor in locker rooms, restrooms, private areas, and other locations where students and/or staff have a reasonable expectation of privacy. In addition, because of their capacity to be used to carry out acts of academic dishonesty, use of electronic devices for the purposes of taking digital photographic images in the school is strictly prohibited.

**Tobacco Violations** involve the possession or use of tobacco products or paraphernalia (such as lighters) by students. This policy applies when students are at school or at any school-related activity or event, or while traveling to or from school or any school-related activity or event. A student may be suspended or expelled for engaging in unlawful activity on or off school grounds if the unlawful activity may reasonably be considered to be an interference with school purposes or an educational function, or the student’s removal is necessary to restore order to protect persons on school property.

Note: **Trespassing** is considered an unlawful activity; students who have been suspended or expelled are not permitted on school grounds.

# Student Transportation Guidelines Michigan City Area Schools

### OVERVIEW

It is recognized that excessive distances and extraordinary or excessive hazards to pedestrian safety can affect access to an equal educational opportunity for some children in the school district. Therefore, it shall be the practice of the Michigan City Area Schools to provide safe, economical transportation to those children affected by these conditions. The Board of School Trustees retains the right to eliminate all, or portions of, transportation should conditions warrant such an action.

The primary purpose of the transportation system is to provide transportation for eligible students (see “Eligibility” below) from the vicinity of their homes to the school they attend. Use of transportation equipment for field trips, extracurricular activities, and other authorized educational, cultural, and recreational activities is permitted when it does not conflict with the primary purpose of transportation.

In organizing and operating the transportation system, all applicable statutes and rules and regulations of the State of Indiana, or its agencies, shall be strictly adhered to and all recommendations and suggestions shall be considered carefully.

In all cases, the primary consideration shall be to provide safe transportation to eligible students. Careful consideration shall also be given to efficiency and economy of operation.

Since school bus transportation is provided only for certain eligible students, **it shall be considered a privilege to be enjoyed by a student only as long as he/she accepts responsibility for his/her own conduct.** The student is to carefully follow all rules and regulations and promptly respond to the directions and requests of the bus driver. Most students will find it necessary to walk some distance to the designated bus stop.

School transportation equipment shall be used only for the transportation of students to and from school, extracurricular school activities, or for other purposes specifically authorized by the Board of School Trustees.

### ELIGIBILITY

Any elementary students living one and one-half (1½) miles, more or less, from the school they attend and secondary (middle school and high school) students living two (2) miles more or less from the school they attend, are eligible for transportation to and from school. However, the Transportation Director or his/her designee, with the approval of the Superintendent, may determine that transportation service should be extended to selected students within these stated distances.

A student identified with a disability in accordance with Article 7 of the Individuals with Disabilities Education Act may be provided special transportation as a related service. Accommodations for such transportation are specified within the student’s Individual Education Program (IEP).

Students with a temporary medical condition that necessitates the use of crutches, wheelchairs, or other aids must call the Transportation department so that temporary accommodations for transportation can be made.

Persons other than eligible students shall not be provided transportation. Exceptions to this rule will be made only by the Building Administrator or his/her designee.

## **TRANSPORTATION PROCEDURES**

### **I. TRANSPORTATION SERVICE LIMITATIONS**

- A. Bus routes shall be planned to achieve maximum safety of operations with reasonable economy.
1. Bus routes will not be extended, or stops scheduled, unless an eligible elementary student would otherwise be required to walk in excess of one quarter ( $\frac{1}{4}$ ) mile to a bus stop or a secondary student in excess of one-half ( $\frac{1}{2}$ ) mile to a bus stop.
  2. A bus will not make more than four (4) stops in any one mile unless safety requirements make additional stops necessary.
  3. In establishing routes in new or existing residential subdivisions, buses will be scheduled to use perimeter routes and/or main thoroughfares. Students will be required to walk to bus stops in accordance with Sections 1 and 2 above to the extent walking safely permits.
  4. In apartment complexes and trailer parks, bus service shall be provided off the public road onto the private property only in the interest of safety. Departure from the public road in such instances will be only to the extent of a turnaround or for a limited number of stops, where space permits.
  5. Buses will not be routed on dead-end roads. Exceptions will be student safety and availability of an adequate turnaround.
- B. Bus routes are to be designed to keep individual riding distance and time to a practical minimum.
- C. In setting up bus schedules, it shall be the objective to arrange for buses to arrive at school approximately ten (10) minutes prior to the scheduled time for the beginning of classes in the morning and to leave approximately five (5) minutes after the scheduled dismissal time.

### **II. SERVICE REDUCTIONS**

When conditions warrant, the Superintendent, along with the Transportation Director or his/her designee, shall develop a plan for reduction of transportation services subject to approval by the Board of School Trustees.

### **III. OPERATION OF THE SYSTEM**

- A. The measurement of the mileage to determine eligibility for transportation shall be the responsibility of the Director of Transportation or his/her designee. This measurement shall be accepted as conclusive evidence of eligibility for transportation.
- B. Each eligible student will be assigned to use a specific bus and bus stop. Any exceptions must be approved by the Director of Transportation or his/her designee.
- C. The scheduled number of students assigned to ride a standard bus will not exceed 100% of its rated passenger capacity. When circumstances result in overload, an adjustment in the routes and stops will be made.
- D. The Director of Transportation or his/her designee may grant permission for a student to ride a different bus or use a different scheduled stop. Such permission may be granted for a specified period of time subject to the following conditions and limitations:

1. The receipt of a written request of a parent or guardian.
2. Upon authorization of the building Administrator.
3. The request for change may not result in the overcrowding of any bus, altering of any regular bus route, stop, or time schedule, or the creation of a new route.
4. The purpose of such special permission requested shall be:
  - a. To participate in a regularly organized group activity for children of school age that is educational in nature.
  - b. To relieve a temporary situation that would otherwise result in a severe hardship on a student in getting to and from school.
  - c. For other emergencies as shall be approved by the Director of Transportation or his/her designee.
5. Drivers are to transport only their regularly assigned passengers unless other authorization is received from the Director of Transportation or his/her designee.
6. In an emergency, written request may be waived. Such emergency requests should be made to the child's building administrator, who will be responsible for coordinating necessary actions with the Director of Transportation or his/her designee.
- E. The Director of Transportation or his/her designee will maintain a comprehensive bus safety education program for students. The program includes, but is not limited to, instruction in rules of behavior when riding, boarding, and exiting the bus at stops, and emergency bus evacuation drills.
- F. The safety of walking conditions for students ineligible for bus transportation will be reviewed by the Director of Transportation or his/her designee. Actions to alleviate unsafe walking conditions may include coordinated actions with local governments, provision of bus service, or other alternatives. The Director of Transportation or his/her designee will make recommendations to the Superintendent of Schools as specific problems arise.

**V. BUS DISCIPLINE PROCEDURE**

Listed below are the expectations for students' behavior while they are being transported by school bus or any school vehicles. These rules apply to any trip under school sponsorship. Any violation of these rules will result in the driver proceeding with the steps listed under "Consequences" below.

Michigan City Area Schools believes parents must monitor and accept responsibility for student behavior at the bus stop.

**Bus Rules**

- A. Prior to loading (on the road and at the school) students are required to:
  1. Be at their assigned bus stop at least five (5) minutes prior to the scheduled pick up time.  
 Note: Buses may arrive five minutes before OR after the scheduled pickup time, due to traffic conditions. The driver is responsible for keeping his/her bus on schedule and cannot wait if a student is not present.
  2. Stay off the roadway or street while waiting for the bus. Bus riders are to conduct themselves in a safe manner while waiting.

3. Wait until the bus comes to a complete stop and the stop arm is extended before attempting to board.
4. Board in an orderly manner and immediately take their seats.
5. Practice rules of safe behavior as they go to and from their assigned bus stop.

B. While on the bus students are required to:

1. Keep all body parts and possessions inside the bus.
2. Assist in keeping the bus clean and sanitary. Trash goes in the waste container at the front of the bus.
3. Talk quietly and avoid acting in any manner that distracts the driver's attention away from driving. This includes but is not limited to teasing others, horseplay, throwing objects, etc.
4. Refrain from tampering with any bus equipment.
5. Keep books, lunches, and other articles in their possession.
6. Sit in the seat assigned by the driver. Students are to remain in their seats while the bus is in motion and will be held responsible for the condition of the assigned seats surrounding them.
7. Be **ABSOLUTELY** quiet while approaching a railroad crossing. Students will remain quiet until the bus has cleared all sets of railroad tracks.
8. In case of an emergency, remain in their assigned seat on the bus unless instructed by the driver to leave.
9. Refrain from eating or drinking, chewing gum or having any other objects in their mouths when on the bus. Glass bottles are not permitted on the bus.
10. Refrain from bringing live animals on the bus.
11. Turn off cellphones. Radios, iPods, and other electronic listening devices may be used with earphones.
11. Keep musical instruments on their laps or under their seats.
12. Refrain from the use of profanity or offensive language.
13. Board and get off at the regularly-assigned bus stop.
14. Use emergency bus exits **only** at the direction of the driver.
15. Close windows before getting off the bus.

C. After leaving the bus students are required to:

1. Cross the road by passing at least ten (10) feet in front of the school bus, only after looking in both directions to be sure no traffic is approaching.

2. **NEVER** cross behind the bus for any reason.
3. **NEVER** attempt to retrieve an item from under the bus for any reason.
4. Move immediately away from the bus and refrain from hitting or throwing things at the bus.

## VI. DISCIPLINARY PROCESS

Drivers will make every effort to maintain appropriate student behavior on the bus. When these efforts are no longer effective, the driver will submit a written referral to the Transportation Director.

- A. The first (1st) referral will result in parent contact in all but the most serious infractions.
- B. The second (2nd) referral will result in parent contact and a formal written warning in all but the most serious infractions.
- C. After the second (2nd) referral, a student who violates these rules shall be subject to disciplinary action that may include a meeting with the parents, loss of riding privileges for a period (determined by the severity of the infraction) or permanent loss of bus-riding privileges.

**Please note that suspension of bus privileges does not mean suspension from school. Parents are required to transport their children to school in the event of a bus suspension. Lack of school attendance will be considered truancy.**

## VII. SERIOUS IRRESPONSIBLE BEHAVIORS

In cases of more serious irresponsible behavior, in addition to a meeting with the parents and possible loss of riding privileges, students shall be subject to disciplinary measures provided for in the Code of Responsible Behavior, including but not limited to suspension or expulsion from school. In cases where the law has been broken, penalties may further result in a report being filed with local law enforcement.

**Serious Irresponsible Behaviors** may include (but are not limited to):

- A. Possession of Fireworks
- B. Extortion and Intimidation
- C. Gambling
- D. Throwing Objects
- E. Damaging Personal Property
- F. Disorderly Conduct

- H. Insubordination
- I. False Alarm/Bomb Threat
- J. Possession of Weapons
- K. Fighting/Battery
- L. Tobacco, Drugs, or Alcohol

## VIII. APPEAL PROCEDURES

In any aspect of the application of the provisions of this policy, a parent, guardian, or adult student may appeal the decision of any school employee. A decision of a bus driver may be appealed to the Director of Transportation within ten (10) working days. A decision of the Director of Transportation may be appealed to the Superintendent or his/her designee within ten (10) working days and, if necessary, to the Board of School Trustees within ten (10) working days. The appellant should be prepared in every instance to both meet with the official involved and

submit the specifics of the case in writing, if required. The response of such appeals at each level will be rendered within ten (10) working days.

# Technology Code of Conduct for Students

This policy cannot cover all possible violations because of the ever-changing nature of technology. Nevertheless, Michigan City Area Schools is ready to take immediate action when individuals violate system integrity, the rules of appropriate computer use, the Acceptable Use Policy (these may be one and the same) or the rights of the members of this community. **THE USE OF COMPUTER RESOURCES IS A PRIVILEGE, NOT A RIGHT**, and that privilege may be revoked if it is abused.

**Students accept personal responsibility for all activity while using a computer or other school-owned equipment.**

1. Do not damage or deface the network, hardware, and/or software.
2. Do not share your password with another person. Do not use another person's password.
3. Do not allow anyone to use a computer under your student login.
4. Only authorized personnel may install or download software, shareware, or freeware on school-owned equipment.

10. Do not access files, information, or any other resources (hardware or software) to which you have not been given the specific right of access.
11. The student and parents will be held accountable for all damage and repair costs for all violations.
12. Students may use e-mail and electronic communications which are monitored and administered by the Michigan City Area Schools.

A referral will be written for all offenses. Offenses accumulate during the school year and for all classes, not per class. Administrators may consider offenses in previous school years. School administrators may remove privileges, suspend, or expel for offenses as outlined in the appropriate student handbook.

In addition to regular disciplinary action, students will be held accountable for technology violations based on the following:

1st Offense	NO Computer Privileges for Ten (10) School Days
